PROFESSIONAL EXPERIENCE

California State University East Bay, Hayward CA — IT Service Desk Technician

(2023 - Present)

- Resolved and routed over 2500+ ServiceNow tickets, working with IT teams to resolve various issues within SLA.
- Utilized Remote Desktop and Bomgar to troubleshoot and resolve user problems remotely.
- Troubleshooting and assisting with Microsoft 365, Google Suite, VPN (GlobalProtect/Ivanti), and Duo authentication issues.
- Imaged, configured, and deployed Windows and macOS devices using SCCM and Jamf.
- Authored and maintained internal and public knowledge base articles to streamline support.
- Utilized identity management systems and Duo Security to verify users and resolve account-related issues.

EDUCATION

California State University East Bay, Hayward CA — Bachelor of Computer Science

(In Progress) (2020 - Present)

Related Course Work: Data Structures and Algorithms, Programming Language Concepts, Automata and Computation

Eden Area ROP, Hayward CA — Cybersecurity & Network Foundations Class

(2019 - 2020)

Studied foundational cybersecurity concepts, including network, server, and application security controls, using Cisco Packet Tracer and real equipment.
